

About Us

- Al Khalili Consultant is a provider of seminar and expo in the education industry in the country. With support from the Ministry of Education Malaysia (MOE), we started our operation in 2015 with the program of '**KE ARAH MELAHIRKAN PELAJAR ALIRAN SAINS**'.
- We have been receiving supporting letter from MOE annually acknowledging our role in supporting the nation's education system. Every year, we offer seminars and workshops to almost one million school students nationwide who are preparing for public examination.
- We also offer Higher Education Expo and Roadshow in five major cities in Malaysia to help school leavers prepare for their higher education enrollment every year.

Mission

- Undertake to unlock the potential of students academically by giving them the opportunity to connect with the experts

Vision

- To empower students to achieve more

Objective

- To bring the experience & expertise of Guru Cemerlang serving in the Ministry of Education for the benefit of all students in Malaysia ranging from primary to Pre-University

History

2015

MINISTRY OF EDUCATION MALAYSIA

- Supported by the Ministry of Education, Al Khalili Consultant started its operation in 2015 with the program of 'KE ARAH MELAHIRKAN PELAJAR ALIRAN SAINS', organizing seminars and workshops for Science & Mathematics Subjects.

Product & Services

1. Seminar & Workshop

Al Khalili Consultant connects students with the pool of 'Guru Cemerlang' through seminars & workshops. Our speaker who conducted the seminars are selected experienced 'Guru Cemerlang'. They are specialist teaches in the Ministry of Education who are highly skilled and expert in their subject matter, pedagogy and communication. Today, we have more than 2000 Guru Cemerlang under the MOE. Our efforts ensure the expertise of Guru Cemerlang is used for the benefit of all students nationwide.

Al Khalili Consultant offers seminars and workshops to almost 1 million school students every year who are preparing for public examinations. It covers all major subjects focused exclusively on 'SCORE A Seminar (Answering Technique & Marking Scheme)', and 'Higher Order Thinking Skills' to help students prepare for public examinations.

2. Higher Education Fair & Roadshow

Al Khalili Consultant also organized its annual event, Higher education Fair and Roadshow, to help students and school leavers for their college preparation.

In conjunction with annual events 'Persidangan tahunan Guru Bimbingan & Kaunseling (PGBK) & 'College Readiness Seminar for School Leavers', Al Khalili Consultant also organized HIGHER EDUCATION FAIR AND ROADSHOW.

The event were scheduled every year right after the public examination SPM and STPM (A level & O level) in 5 major cities in Malaysia namely Johor Bahru, Kuala Lumpur, Pulau Pinang, Kota Kinabalu and Kuching.
